This notification is in response to your recent Public Information Act request. After a diligent search and reasonable inquiry of the appropriate district sources for your request, it has been determined that there are no responsive existing documents.	
As you may already know, the Texas PIA is a mechanism to request documents that already exist. That has been the focus of our search since your submission. Again we regret there are no documents to produce, but if you have any questions, you can contact the Communications Department or you can always resubmit with a different or altered request.	
Regards, JISD Communications

Thank you for contacting Judson ISD for your Public Information Act request. This message is a confirmation that your submission has been received and we will begin processing it. Keep in mind that the 10-business-day response time outlined in the Texas PIA begins the day following the date of receipt. Please be aware of holidays that figure into the response time.	
The Texas PIA does not compel governmental bodies to answer questions, perform legal research, create new documents, or comply with a continuing request to supply information on a periodic basis in the future. <b><i>It is, however, a tool to request existing documents the school district has in possession.</i></b>	
If you have any questions please contact the Judson ISD Communications Department at 210-945-5410.	
Thank you	
Regards, JISD Communications
