2027 - 2032 Potential Bond Project List

As of September 29, 2026

PROPOSED 2027-2032 BOND CITY OF SAN ANTONIO

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
1	Babcock (UTSA to Loop 1604)	8	Streets, Bridges & Sidewalks	UTSA	$ 24,600,000	Capital Delivery	(2022 Bond Continuation) Widen roadway from two lanes to four lanes with a center turn lane, drainage, curbs, and sidewalks from UTSA Boulevard to 1604 to facilitate traffic mobility and safety.
2	Babock Rd Reconstruction (Raleigh to Crestview)	7	Streets, Bridges & Sidewalks			Council Request	Roadway reconstruction
3	Basse (West Ave to Blanco)	1	Streets, Bridges & Sidewalks		$ 5,000,000	Council Request	Street redesign which may include new curbs, traffic signal upgrades, sidewalks and driveway approaches,.
4	Braun Road Shared Use Path Phase 4 (Elisa Brooke to Loop 1604)	7	Streets, Bridges & Sidewalks		$ 4,500,000	Capital Delivery	(2022 Bond Continuation) Construct shared use path, roadway and drainage improvements to include sidewalks, curbs, driveway approaches.
5	Callaghan (Riddle to Labor)	1	Streets, Bridges & Sidewalks		$ 750,000	Council Request	Convert island to roundabout
6	Camp Bullis Bridge	8	Streets, Bridges & Sidewalks	UTSA	$ 25,000,000	Capital Delivery	Leveraged funding for construction of a five-lane bridge over Leon Creek east of the I-10 intersection.
7	Castroville Corridor	5	Streets, Bridges & Sidewalks			Council Request	Improvements to Castroville Corridor.
8	Citywide Bikes	CW	Streets, Bridges & Sidewalks		$ 5,000,000	Capital Delivery	(2017 & 2022 Bond Continuation) Construct bicycle and associated multi-modal improvement projects citywide as applicable and within available funding. This is a multi-phased project. Projects to be recommended by Transportation - Bike Network Plan.
9	Citywide Bridge Program	CW	Streets, Bridges & Sidewalks		$ 5,000,000	Capital Delivery	(2017 & 2022 Bond Continuation) Improve and rehabilitate existing deficient and deteriorated bridge structures and/or build new bridges within City limits within available funding. Bridge projects will be identified through TxDOT Bridge Inspection Report.
10	Classen Road (Corian Springs to Knollcreek) Phase 2	10	Streets, Bridges & Sidewalks		$ 17,754,000	Capital Delivery	(2022 Bond Continuation) Widen roadway from two lanes to five with a continuous left-turn lane, including curbs, sidewalks, shared use path, driveway approaches, and drainage.
11	Culebra Road (General McMullen to Loop 410)	5, 7	Streets, Bridges & Sidewalks		$ 6,000,000	Capital Delivery	Leveraged funding for future state/federal construction grant funds.
12	D7 Pedestrian Improvements	7	Streets, Bridges & Sidewalks			Council Request	Pedestrian improvements: Alexander Hamilton (St. Cloud to Dickenson) & John Page from St. Cloud to Donaldson.
13	District Pedestrian Mobility	CW	Streets, Bridges & Sidewalks		$ 10,000,000	Capital Delivery	Construct pedestrian mobility improvement projects as applicable and within available funding.
14	Dorsey Drive Phase 1A (Clamp to Moursund)	3	Streets, Bridges & Sidewalks		$ 2,000,000	Capital Delivery	(2022 Bond Continuation) Complete drainage, sidewalk and street improvements from Clamp to Moursund.
15	E Evans Rd from Nacogdoches Rd going south to City of Selma City Limits	10	Streets, Bridges & Sidewalks	Rolling Oaks	$ 3,500,000	Public Works/ Bexar County	Reconstruct street and widen from two-lanes to five-lanes to match Bexar County project configuration at project limits. Design and construction will be managed by Bexar County.
16	Failed "F" Street Reconstruction	CW	Streets, Bridges & Sidewalks		$ 744,000,000	Public Works	The City of San Antonio has a 4,350 centerline mile network of which an estimated 385 miles (9%) of streets are considered in failed condition. This is the needed one-time investment amount to reconstruct all failed streets to get to 0% Citywide.
17	Finesilver Curve Underpass (W Cypress to W Poplar)	1	Streets, Bridges & Sidewalks		$ 2,000,000	Council Request	Preventing unhoused access + potential public art element

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
18	Fredericksburg (Balcones Heights to N Flores)	1	Streets, Bridges & Sidewalks		$ 20,000,000	Council Request	Street redesign with multiple crosswalks
19	Gardina (West Ave to Vance Jackson)	1	Streets, Bridges & Sidewalks		$ 2,000,000	Council Request	Sidewalks, curbs, and street repair
20	Gold Canyon Rd Extension (Mud Creek Bridge)	9	Streets, Bridges & Sidewalks	Stone Oak	$ 32,200,000	Capital Delivery	Project will extend a new roadway and add a new bridge at Mud Creek to connect Gold Canyon from Sonterra Boulevard to Redland Road.
21	Guilbeau (Old Tezel to E of Mystic Park)	7	Streets, Bridges & Sidewalks			Council Request	
22	Guilbeau Rd. (Wickersham to Tezel)	7	Streets, Bridges & Sidewalks			Council Request	Roadway widening, traffic light and traffic control improvements
23	Harry Wurzbach (Loop 410 to Ft Sam Gate) (Design Only)	10	Streets, Bridges & Sidewalks	Fort Sam Houston	$ 6,000,000	Capital Delivery	Future state/federal leveraged funding to be used for full design services of street reconstruction, shared use path, sidewalks, driveways, drainage, utility upgrades, traffic signal upgrades, signage and pavement markings.
24	Huebner Road Extension (Hardy Oak to US 281)	9	Streets, Bridges & Sidewalks	Stone Oak	$ 30,000,000	Capital Delivery	Project will extend a new roadway from Hardy Oak to US 281 to include new roadway, bridges, drainage, traffic and pedestrian improvements.
25	Ingram Road Bike Lanes (Interstate 410 Loop to Callaghan)	6, 7	Streets, Bridges & Sidewalks		$ 12,000,000	Transportation	Construct bike facilities along Ingram Road. Project will provide connectivity across I-410 to the Leon Creek Greenway and the Ingram Transit Center.
26	Jackson Keller (Vance Jackson to McCullough	1	Streets, Bridges & Sidewalks		$ 20,000,000	Council Request	Street redesign which may include new curbs, traffic signal upgrades, sidewalks and driveway approaches,.
27	Jones Maltsberger (Autry Pond to Gentry Way)	10	Streets, Bridges & Sidewalks		$ 18,000,000	Capital Delivery	A multi-phase project to include street reconstruction including sidewalks, traffic and signal upgrades and drainage improvements.
28	Jones Maltsberger Road (410 to Ramsey)	1	Streets, Bridges & Sidewalks		$ 12,700,000	Capital Delivery	Widen roadway from two lanes to four lanes with a center turning median to improve traffic and pedestrian mobility.
29	Judson Road (Stahl to Nacogdoches)	10	Streets, Bridges & Sidewalks		$ 24,000,000	Capital Delivery	Street reconstruction from four lanes to five lanes, including a continuous left-turn lane, sidewalks, traffic and signal upgrades, drainage improvements.
30	Jung (Bulverde to Briarcrest)	10	Streets, Bridges & Sidewalks		$ 18,500,000	Capital Delivery	Street reconstruction from two-lanes to five-lanes including sidewalks, traffic and signal upgrades, and drainage improvements.
31	Labor St (Labor St to Durango)	1	Streets, Bridges & Sidewalks		$ 3,000,000	Council Request	Traffic light at Durango and lane realignment; traffic circles; curbs; bike lanes
32	Lone Star Boulevard Improvements	5	Streets, Bridges & Sidewalks		$ 12,000,000	Neighborhood & Housing Services	Reconstruct and widen Lone Star Boulevard. Includes pedestrian and bicycle facilities amenities as well as intersection improvements as appropriate and within available funding.
33	Lord Road (South Loop 410 to South WW White)	2	Streets, Bridges & Sidewalks		$ 21,000,000	Capital Delivery	This project will widen the roadway from two lanes to four lanes and complete roadway and drainage improvements from South Loop 410 to South WW White Road.
34	Marbach (Loop 410 to Horal) Rd	4, 6	Streets, Bridges & Sidewalks		$ 20,000,000	Capital Delivery	(2022 Bond Continuation) Completion of underground drainage, roadway reconstruction from Loop 410 to Horal.
35	McCullough Avenue Complete Street	1	Streets, Bridges & Sidewalks		$ 58,200,000	Transportation	The purpose of this project is to improve driver, cyclist, and pedestrian safety for users along McCullough Avenue, from Basse Road to Coronet Street. Proposed improvements would include upgraded bike facilities and pedestrians and cyclists crossings, as well as intersection improvements, roadway improvements.

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
36	Medina Base Road (Five Palms to Holm Road)	4	Streets, Bridges & Sidewalks		$ 39,000,000	Capital Delivery	Reconstruct Medina Base Road to a five-lane roadway (an existing two lane facility) including a continuous left turn lane, shared use path, sidewalks, driveway approaches, and underground storm system, and make necessary signal modifications/improvements.
37	N St. Mary's Bike Lanes (Mistletoe to Tuleta)	1, 2	Streets, Bridges & Sidewalks	Downtown	$ 9,700,000	Transportation	Implementation of bike facilities along N St. Mary's Street from Mistletoe to Tuleta including roadway and pedestrian improvements.
38	New Sulphur Springs (Loop 410 to Southcross Ranch)	2, 3	Streets, Bridges & Sidewalks		$ 29,000,000	Capital Delivery	This project will widen from two lanes to four lanes and reconstruct and widen bridge at Rosillo Creek and sidewalks.
39	North Flores Street (Martin to Quincy)	1	Streets, Bridges & Sidewalks	Downtown	$ 7,750,000	Capital Delivery	Street rehabilitation, pedestrian improvements including shared use path, sidewalks, traffic and signal upgrades, and drainage improvements.
40	Old Highway 90 (36th St to Commerce)	6	Streets, Bridges & Sidewalks		$ 25,000,000	Capital Delivery	(2017 & 2022 Bond Continuation) Street reconstruction, shared use path, sidewalks, bike lanes, traffic and signal upgrades, and storm drainage improvements.
41	Old Highway 90 (Hwy 151 to Leon Creek)	6	Streets, Bridges & Sidewalks		$ 12,000,000	Capital Delivery	(2017 & 2022 Bond Continuation) Construction of a four-lane roadway (two lanes in each direction) to include roadway striping, drainage, sidewalks, shared use path, curbs, driveway approaches, traffic signal upgrades and landscaping.
42	Probandt Phase 3	5	Streets, Bridges & Sidewalks		$ 22,800,000	Capital Delivery	(2017 & 2022 Bond Continuation) Full roadway reconstruction from South Alamo to Simon, mill & overlay from Simon to Steves, construct complete street improvements, new curbs, sidewalks and driveway approaches, bike facilities, Advanced Warning Infrastructure at rail crossings and signalization.
43	Prue Rd - Cedar Park to west of Kyle Seale Pkwy (Rocky Trail)	7	Streets, Bridges & Sidewalks		$ 24,355,000	Capital Delivery	Widen roadway from two lanes to four lanes including a center median from Cedar Park to west of Kyle Seale Parkway to complete the full corridor improvements from Bandera to Huebner Road.
44	Quick-Build Traffic Calming Package	5	Streets, Bridges & Sidewalks			Council Request	Reserve funding for quick-build traffic calming and pedestrian safety projects.
45	Pecan Valley (E. Southcross to Rolling Dr.)	4	Streets, Bridges & Sidewalks		$ 36,000,000	Council Request	
46	Ray Ellison	4	Streets, Bridges & Sidewalks		$ 10,000,000	Council Request	
47	Rittiman and Gibbs Sprawl Railroad Overpass	2	Streets, Bridges & Sidewalks		$ 15,000,000	Capital Delivery	Leveraged funding to provide development of the Rittiman Road Railroad Overpass to eliminate an at-grade crossing at Rittiman/Union Pacific Railroad (UPRR) and construct a grade-separated road overpass to decrease traffic delays and wait times.
48	Rock Creek (I-10 to Dudley-Windlake Bridge)	1	Streets, Bridges & Sidewalks		$ 15,000,000	Council Request	Connect to the Linear Creek System w/ pedestrianization
49	Roosevelt (Steves to Harding)	3	Streets, Bridges & Sidewalks		$ 18,000,000	Council Request	(2017 & 2022 Bond Continuation) Construct street, multi-modal bike, sidewalks, shared use paths, traffic signal and drainage improvements from Steves to San Antonio River
50	Roosevelt Ave. (Harding to E Ashley/Flores Street) Ph. 5	3	Streets, Bridges & Sidewalks		$ 29,400,000	Council Request	(2017 & 2022 Bond Continuation). Construct corridor improvements, pedestrian enhancements, bike facilities, roadway improvements, traffic, drainage, sidewalks, curbs, landscaping.
51	Roosevelt Ave. (US 90 to Steves Ave) Intersection Improvement-Signals	3	Streets, Bridges & Sidewalks		$ 6,000,000	Council Request	(2017 Bond Continuation) Construct roadway improvements to include intersection improvements, traffic signals, sidewalks, curbs, driveway approaches, drainage. This is a multi-phased project. Right of Way Acquisition and coordination with Union Pacific Railroad (UPRR) and TxDOT required.
52	S Presa (Carolina to Labor St)	1	Streets, Bridges & Sidewalks		$ 500,000	Council Request	Intersection reconfiguration and pedestrian crossing system
53	S Presa (S Presa to Callaghan)	1	Streets, Bridges & Sidewalks		$ 250,000	Council Request	Signalized pedestrian crosswalk

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
54	S Presa (Vance to Claudia)	1	Streets, Bridges & Sidewalks		$ 250,000	Council Request	Signalized pedestrian crosswalk
55	S St Mary's (Claudia to Carolina)	1	Streets, Bridges & Sidewalks		$ 750,000	Council Request	Lane reconfiguration and traffic lights
56	S. Hausman Rd Reconstruction	7	Streets, Bridges & Sidewalks			Council Request	Roadway reconstruction to include drainage improvements
57	Safe Passageways to School	1	Streets, Bridges & Sidewalks		$ 10,000,000	Council Request	Funding to support pedestrian infrastructure around schools to include sidewalks, crosswalks, shared-use paths, bike lanes, etc.
58	Somerset	4	Streets, Bridges & Sidewalks		$ 10,000,000	Council Request	
59	South Zarzamora (410 to Jaguary Prkwy)	4	Streets, Bridges & Sidewalks		$ 50,000,000	Council Request	Roadway reconstruction to add lanes to include drainage and pedestrian improvements.
60	Nueva St. Extension	1	Streets, Bridges & Sidewalks	Downtown	$ 4,000,000	Capital Delivery	Reconstruct Nueva from Hemisfair Blvd to Labor St.
61	Durango (Alamo to IH 37)	1	Streets, Bridges & Sidewalks	Downtown	$ 8,900,000	Capital Delivery	Proposed pedestrian improvements from Alamo to IH 37, including sidewalks, mill & overlay, and traffic signals.
62	IH-37 Interchange Improvements	1	Streets, Bridges & Sidewalks	Downtown	$ 21,300,000	Capital Delivery	Funding to leverage TxDOT match for the following projects: 1) Exit ramp at IH-37 and Commerce St., 2)IH-37 & Montanna St. entrance ramp, 3) Pedestrian Bridge over IH-37, 4) IH-37 & Durango improvements, 5) New U-turn at Florida St. SB to NB, 6) IH-37 SB Frontage Rd. widening at Durango.
63	South Zarzamora Overpass Phase 3	5	Streets, Bridges & Sidewalks		$ 12,000,000	Capital Delivery	(2017 & 2022 Bond Continuation). Construct a bridge over the Union Pacific Railroad (UPRR) at Frio City Road to include retaining walls, four traffic lanes, pedestrian and bicycle improvements, street reconstruction, sidewalks, traffic signals, drainage and utility improvements.
64	St. Cloud Reconstruction (John Adams to Babcock)	7	Streets, Bridges & Sidewalks			Council Request	Roadway reconstruction
65	Summit (Blanco to San Pedro)	1	Streets, Bridges & Sidewalks		$ 2,000,000	Council Request	Shared Use Path (sidewalk, bike lane)
66	Toepperwein (Primetime to Lookout Road)	10	Streets, Bridges & Sidewalks		$ 22,100,000	Capital Delivery	Project will widen the roadway from two lanes to three lanes with a center turn lane, a shared use path, and drainage improvements.
67	Vance Jackson (Adrian to IH 10)	1	Streets, Bridges & Sidewalks		$ 16,600,000	Capital Delivery	(2022 Bond Continuation) Reduce from four to three lanes for traffic and pedestrian safety improvements, including signal upgrades.
68	Vance Jackson (Jackson Keller to Fredericksburg)	1	Streets, Bridges & Sidewalks		$ 20,000,000	Council Request	Street redesign which may include new curbs, traffic signal upgrades, sidewalks and driveway approaches,.
69	W. Southcross Blvd (New Laredo Hwy to Quintana Rd)	5	Streets, Bridges & Sidewalks		$ 28,000,000	Capital Delivery	This project will construct a roundabout, on-street parking, drainage improvements, pedestrian mobility & safety improvements.
70	Water Ponding Package	5	Streets, Bridges & Sidewalks			Council Request	Address streets and driveways where water is ponding.
71	Watson (Verano Parkway south to the Rancho Carlotta)	4	Streets, Bridges & Sidewalks		$ 17,400,000	Capital Delivery	(2022 Bond Continuation) Widen roadway from two to five lanes, including sidewalks, curbs, shared use path, driveway approaches, drainage, and other improvements as applicable.

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
72	West Avenue (I-10 to Hildebrand)	1	Streets, Bridges & Sidewalks		$ 20,000,000	Council Request	Street redesign which may include new curbs, traffic signal upgrades, sidewalks and driveway approaches,.
73	Westside Corridors (W. Commerce, Guadalupe, S. Laredo, W. Martin)	5	Streets, Bridges & Sidewalks			Council Request	Pedestrian, shade, and placemaking improvements.
74	Wetmore (Flying T)	10	Streets, Bridges & Sidewalks		$ 35,000,000	Capital Delivery	Construct operational and safety improvements to improve traffic movements at Wetmore Road from Wurzbach Pkwy to Metro Pkwy. Project to include street reconstruction, medians, pedestrian improvements and signalization.
75	Wilson Blvd. Reconstruction (Babcock to Culebra Rd.)	7	Streets, Bridges & Sidewalks			Council Request	Roadway reconstruction
76	7th St/Brooklyn St Drainage Project	1	Drainage & Flood Control		$ 55,000,000	Public Works	Proposed project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks.
77	Abe Lincoln Area Drainage Improvements	7	Drainage & Flood Control		$ 27,544,300	Public Works	Proposed project to install an underground storm drain system and associated roadway reconstruction, curbs, sidewalks, and driveway approaches as applicable and within available funding.
78	Aldrich - Parallel Area Drainage Improvements	4	Drainage & Flood Control	JBSA-Lackland/ Port San Antonio	$ 46,500,000	Public Works	Proposed project to install an underground storm drain system and associated roadway reconstruction, curbs, sidewalks, and driveway approaches as applicable and within available funding.
79	Allsup Flagle Area Drainage Improvements - Construction Only	5	Drainage & Flood Control		$ 2,500,000	Public Works	Proposed project provides funding to instruction of a designed project that increases flow and contains flood waters to reduce flooding. This is a Hazard Mitigation Action Plan project.
80	Amity Drainage Improvement Ph I	2	Drainage & Flood Control		$ 9,000,000	Public Works	Proposed project installs an underground stormwater drainage system along Ancel Road and Amity Road to mitigate flooding and surface ponding. This is a Hazard Mitigation Action Plan project.
81	Auldine & Burr Oak Alley Phase 2	9	Drainage & Flood Control		$ 2,800,000	Public Works	(2017 Bond Continuation) Drainage improvements project to address flooding.
82	Barbara Drive Drainage Phase 4	1	Drainage & Flood Control		$ 26,200,000	Capital Delivery	(2017 & 2022 Bond Continuation) The proposed upgrades include upsizing the storm drain under Dellwood Drive to include reconstruction of the street and curb for the portion of Dellwood Drive within the project limits. This is a Hazard Mitigation and State Flood Plan project.
83	Belford Area Drainage Ph IIA	3	Drainage & Flood Control	Brooks	$ 29,000,000	Public Works	Proposed project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks.
84	Blanton Dr Drainage Improvements	10	Drainage & Flood Control		$ 10,374,000	Public Works	Proposed project to install an underground storm drain system and may include upgraded channel outfall improvements and associated roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within funding available.
85	Bloomwood Area roadway Improvements	8	Drainage & Flood Control		$ 1,636,000	Public Works	Proposed project will construct upgrades to improve existing drainage infrastructure and may include roadway reconstruction with curbs, sidewalks and driveway approaches as applicable and within available funding.
86	Blue Ridge Roadway Improvements	5	Drainage & Flood Control		$ 33,000,000	Public Works	Proposed project will construct channel improvements, culvert replacements and associated roadway reconstruction, curbs, and driveway approaches at culvert crossings as applicable and within available funding. This is a State Flood Plan project.
87	Blue Wing	3	Drainage & Flood Control		$ 9,700,000	Public Works	The project proposes to relocate Blue Wing Road to maintain access during a 1% annual flood event.
88	Boxwood Drainage Improvement	3	Drainage & Flood Control		$ 10,640,000	Public Works	Proposed project to install an underground storm drain system which may include roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within available funding.
89	Brady Gardens Drainage	5	Drainage & Flood Control			Council Request	Drainage improvements

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
90	Breeden Phase 2 Drainage Improvements - Construction Only	1	Drainage & Flood Control		$ 4,449,000	Public Works	Proposed project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks. This is a Hazard Mitigation Action Plan project.
91	Budding Culvert Replacement - Construction Only	9	Drainage & Flood Control	Greater Airport Area	$ 877,800	Public Works	The project provides funding to construct a designed project that provides unflooded access and contains flood waters. This is a Hazard Mitigation Action Plan project.
92	Chandler Rd Drainage Improvements	3	Drainage & Flood Control		$ 10,640,000	Public Works	Proposed project will install an underground drainage system and may include roadway reconstruction, curbs, sidewalks, and driveway approaches as applicable and within available funding.
93	Concepcion Creek Improvements	5	Drainage & Flood Control		$ 332,500,000	Public Works	The proposed project is a multi-phase drainage effort to address major flooding along Concepcion Creek from S. General McMullen to the San Antonio River. The initial phase includes channel improvements downstream as part of a multi-faceted drainage system. This is a Hazard Mitigation and State Flood Plan project.
94	Corian Park Area Drainage Improvements	8	Drainage & Flood Control		$ 55,000,000	Public Works	Proposed project to install an underground storm drain system and associated roadway reconstruction, curbs, sidewalks, and driveway approaches as applicable and within available funding.
95	Cougar Gap Area Drainage Improvements	4	Drainage & Flood Control		$ 5,000,000	Public Works	Proposed project will install an underground drainage system and may include street reconstruction, curbs, sidewalks and driveway approaches as applicable and within available funding.
96	Cumberland Area Drainage Improvements	5	Drainage & Flood Control		$ 15,000,000	Public Works	Proposed project will install an underground drainage system with upgrades to an existing undersized outfall and may include street reconstruction, curbs, sidewalks and driveway approaches as applicable and within available funding.
97	Cypress Drainage - San Pedro to Outfall (VIA Greenline)	1	Drainage & Flood Control	Midtown	$ 4,123,000	Public Works	Construct roadway improvements to include sidewalks, curbs, driveway approaches, drainage, and other improvements as applicable and within available funding. This is a multi-phased project.
98	E Hathaway Drainage Improvements (Raphail and Medford)	10	Drainage & Flood Control	Fort Sam Houston	$ 7,500,000	Public Works	Proposed project will reconstruct and upgrade existing drainage swale and associated improvements as applicable and within available funding.
99	E Terra Alta Drive Drainage Improvements	8	Drainage & Flood Control		$ 3,000,000	Public Works	Proposed project will install an underground storm drain system and associated road reconstruction, curbs, sidewalks, and driveway approaches as applicable and within available funding.
100	E. Ansley Area Street Reconstruction - Construction Only	3	Drainage & Flood Control		$ 5,400,000	Public Works	The project will reconstruct E. Ansley Blvd and Coffee Dr with sidewalk, curbs and driveway approaches as applicable. This is a Hazard Mitigation Action Plan project.
101	Edgehill Drive Alley Reconstruction	10	Drainage & Flood Control		$ 1,000,000	Public Works	Proposed project will reconstruct and upgrade existing alley and associated improvements including curbs and driveway approaches as applicable and within available funding.
102	Eisenhauer Road Drainage Improvements	10	Drainage & Flood Control		$ 21,333,200	Capital Delivery	(2022 Bond Continuation) The proposed project will improve drainage from Pike to N Vandiver Street. This is a Hazard Mitigation Action Plan project.
103	Elmira Area Drainage Phase 2	1	Drainage & Flood Control	Downtown	$ 8,600,000	Capital Delivery	(2022 Bond Continuation) Project will address flooding. Install an underground storm drain system from the outfall at San Pedro Creek at Camaron extending to Cadwallader Street to include associated roadway reconstruction, curbs sidewalks and driveways approaches. This is a Hazard Mitigation Action Plan project
104	Elusive Pass Drainage Improvements	10	Drainage & Flood Control	Rolling Oaks	$ 3,400,000	Public Works	Proposed project to install an underground storm drain system, reconstruct the existing channel outfall and culvert replacements as applicable and within available funding.
105	Evans Road Drainage Phase 2	9	Drainage & Flood Control	Stone Oak	$ 42,560,000	Capital Delivery	(2022 Bond Continuation) Project will reconstruct and mill & overlay roadway, drainage improvements, sidewalks, driveway approaches, curbs.
106	Fairlawn Drainage Improvements	3	Drainage & Flood Control	Brooks	$ 360,000	Public Works	Proposed project will construct an upgrade of an existing storm drain system to include the addition of inlet and associated work as applicable and within available funding.
107	Farinon Dr. Area Drainage Improvements	8	Drainage & Flood Control		$ 532,000	Public Works	Proposed project will construct the upgrade of an existing storm drain infrastructure to include reconstruction of sidewalks and associated work as applicable and within available funding.

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
108	Fox Head Swale Extension	10	Drainage & Flood Control	Rolling Oaks	$ 80,000	Public Works	Proposed project to construct the upgrade of an existing drainage interceptor swale and connecting channel with associated improvements as applicable and within available funding.
109	Frio City Road Outfall Phase 2	5	Drainage & Flood Control	Downtown	$ 32,400,000	Capital Delivery	(2022 Bond Continuation) Phase 2 will continue expansion of existing underground drainage system on Pendelton Avenue from Phase 1 to west of Homecrest to Frio City Road. This is a Hazard Mitigation Action Plan project.
110	Frost St Drainage Improvements	1	Drainage & Flood Control		$ 17,300,000	Public Works	Proposed project will install an underground storm drainage system and may include roadway reconstruction with curbs, sidewalks and driveway approaches as applicable and within available funding.
111	Funding for flood management plan (and execution)	1	Drainage & Flood Control		$ 500,000	Council Request	Flooding preventative measures.
112	Haverford Drainage Improvements	10	Drainage & Flood Control	Greater Airport Area	$ 16,600,000	Public Works	Proposed project to install an underground storm drain system which may include associated roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within available funding.
113	Heath Road	6	Drainage & Flood Control		$ 67,400,000	Public Works	The project aims to construct storm drain systems and reconstruct the roadway in order to mitigate property flooding and address drainage issues. This is a Hazard Mitigation Action Plan project.
114	Henderson Pass Channel Improvements - Design Only	9	Drainage & Flood Control		$ 1,500,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks.
115	Hillside Acres/Van Improvements	4	Drainage & Flood Control		$ 7,200,000	Public Works	Proposed project to install an underground storm drain system which may include associated roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within available funding.
116	Holbrook Road Improvements	2	Drainage & Flood Control	Fort Sam Houston	$ 282,000	Public Works	Proposed project to complete roadway reconstruction to provide unflooded roadway access with curbs, sidewalks and driveway approaches as applicable and within available funding. This is a State Flood Plan project.
117	Huebner Creek Channelization (LWC #28)	7	Drainage & Flood Control		$ 16,500,000	Public Works	Proposed project will construct upgrades to existing low water crossing and channel improvements as applicable and within available funding. This is a State Flood Plan project.
118	Huisache	7	Drainage & Flood Control		$ 34,000,000	Public Works	Proposed multi-phase project to construct the upgrade of an existing undersized storm drain system and may include associated roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within funding available.
119	Jackies Farm Drainage Improvement Project	2	Drainage & Flood Control		$ 6,500,000	Public Works	Proposed project to extend installation of an underground storm drain system which may include associated roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within available funding.
120	Judson and Lookout Low Water Crossing (Construction Only)	10	Drainage & Flood Control		$ 6,900,000	Public Works	Proposed project will construct upgrades to existing low water crossing and channel improvements as applicable and within available funding. This is a Hazard Mitigation and State Flood Plan project.
121	Kampmann Boulevard Area (Babcock Road to Woodlawn Lake)	7	Drainage & Flood Control		$ 113,050,000	Public Works	The proposed project is for the initial estimated cost to address flooding issues in the Kampmann Boulevard Area, based on the 2012 Upper Woodlawn Lake Drainage Study.
122	La Bahia and El Gusto Drainage	10	Drainage & Flood Control		$ 4,300,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks.
123	Lakehaven Channel Improvements	2	Drainage & Flood Control		$ 3,100,000	Public Works	Proposed project to upgrade existing earthen channel with associated improvements as applicable and within funding available.
124	LBJ Park Stream Restoration	10	Drainage & Flood Control		$ 6,800,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks.
125	Leon Creek at Grissom Road Area Drainage Improvements	7	Drainage & Flood Control		$ 95,000,000	Public Works	Proposed multi-phase project to construct channel and associated improvements as applicable and within funding available.

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
126	Little Brandywine Drainage Improvements	10	Drainage & Flood Control		$ 6,700,000	Public Works	Proposed project to construct channel improvements, culvert replacements and associated work as applicable and withing available funding.
127	Lyngrove and Windbrooke Area Drainage Improvements - Construction Only	8	Drainage & Flood Control		$ 2,700,000	Public Works	The project provides funding to construct a designed project that increases flow and contains flood waters to reduce flooding. This is a Hazard Mitigation Action Plan project.
128	Maltsberger Ln (LWC#47) Culvert Crossing	10	Drainage & Flood Control	Greater Airport Area	$ 1,260,000	Public Works	Proposed project will construct channel improvements, culvert replacements and may include associated roadway reconstruction, curbs, and driveway approaches at culvert crossing as applicable and within available funding.
129	Midcrown Drive Drainage Improvements	2	Drainage & Flood Control		$ 11,500,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks. This is a Hazard Mitigation Action Plan project.
130	Montrose	3	Drainage & Flood Control	Brooks	$ 15,800,000	Public Works	Proposed project to install an underground storm drain system and may include associated roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within funding available.
131	N New Braunfels Phase 1 (Austin Hwy to Casana Ave)	10	Drainage & Flood Control		$ 166,250,000	Capital Delivery	(2022 Bond Continuation) Drainage improvements to address flooding. This is a Hazard Mitigation Action Plan project.
132	N Weider Road Low Water Crossing #91 Replacement	10	Drainage & Flood Control	NE I-35 Loop 410	$ 2,600,000	Public Works	Proposed project will construct low water crossings, channel and sidewalk improvements as applicable and within available funding.
133	Neer	1	Drainage & Flood Control		$ 19,900,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks.
134	Oak Haven Area Drainage Phase 3	9	Drainage & Flood Control		$ 7,395,000	Capital Delivery	(2022 Bond Continuation) Drainage improvements project to address flooding. This is a Hazard Mitigation Action Plan project.
135	Olympia Drive PH II Drainage Project - Construction Only	1	Drainage & Flood Control		$ 12,500,000	Public Works	This project consists of upsizing the underground drainage system in Catalina with box culvert and curb inlets and tying them into an existing system at Catalina & Alhambra. It will also consist of street reconstruction of Catalina to include sidewalks, curbs and driveway approaches where needed. This is a Hazard Mitigation Action Plan project.
136	Overbrook Drainage Improvements (Phases 1 - 3)	7	Drainage & Flood Control		$ 185,000,000	Public Works	Proposed multiphase project to improve and upgrade drainage system south of Overbrook Drive to contain 100-year storm event. Project is the Hazard Mitigation and State Flood Plan.
137	Parkstone West Area Drainage Improvement	9	Drainage & Flood Control		$ 1,900,000	Public Works	Proposed project to construct roadway improvements and associated work to improve water conveyance to existing low water crossing.
138	Pembroke West Area Drainage Improvement	7	Drainage & Flood Control		$ 39,000,000	Public Works	Proposed project to install an underground storm drain system and associated roadway reconstruction, curbs, and driveway approaches as applicable and within available funding. This is a Hazard Mitigation Action Plan project.
139	Poppy St Drainage	2	Drainage & Flood Control		$ 5,700,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks.
140	Ranch Valley Area Drainage Improvement	4	Drainage & Flood Control	JBSA-Lackland/ Port San Antonio	$ 1,800,000	Public Works	Proposed project will channelize alleyway and install culvert which may include roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within available funding.
141	Rawhide Ln Area Drainage Improvements	6	Drainage & Flood Control		$ 12,000,000	Public Works	Proposed project will construct channel improvements which may include culvert replacements and associated roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within available funding.
142	Ray Ellison South Drainage Improvements	4	Drainage & Flood Control	JBSA-Lackland/ Port San Antonio	$ 60,000,000	Public Works	The proposed project is a multi-phase drainage effort to address major flooding in the Valley Hi Area along Medina Base Road. This is a Hazard Mitigation Action Plan project.
143	Ridge Run Street Area Drainage Improvements	6	Drainage & Flood Control		$ 15,326,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks. This is a State Flood Plan project.

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
144	Rock Creek Alt 1	1	Drainage & Flood Control		$ 21,100,000	Public Works	Proposed project to reconstruct and upgrade the channel with associated improvements as applicable and within funding available. This is a State Flood Plan project.
145	S Presa (S Presa to Claudia)	1	Drainage & Flood Control		$ 10,000,000	Council Request	Drainage infrastructure
146	S St Mary's (S St Mary's to Biering)	1	Drainage & Flood Control		$ 10,000,000	Council Request	Drainage infrastructure
147	S St Mary's (S St Mary's to Carolina)	1	Drainage & Flood Control		$ 10,000,000	Council Request	Drainage infrastructure
148	Salado Trib D at Ira Lee	10	Drainage & Flood Control		$ 4,000,000	Public Works	Proposed project will construct upgrades to existing channel to mitigate erosion and enhance its long-term functionality.
149	Sams and Bernard Area Drainage	3	Drainage & Flood Control		$ 34,000,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks.
150	Santa Cruz Area Drainage Improvements	7	Drainage & Flood Control		$ 1,037,400	Public Works	Proposed project to construct upgrades to existing channel and associated improvements as applicable and within available funding. This is a Hazard Mitigation Action Plan project.
151	SC11 Quail Creek Channel Improvements	10	Drainage & Flood Control		$ 10,500,000	Public Works	Proposed project to construct upgraded channel improvements and associated work as applicable and within available funding.
152	Seeling Drainage Phase 5	7	Drainage & Flood Control		$ 27,000,000	Capital Delivery	(2017 & 2022 Bond Continuation) Multi-phase drainage project including street reconstruction, sidewalks, driveways, drainage, and utility upgrades. Earthen-lined channel improvements included. This is a Hazard Mitigation and State Flood Plan project.
153	Serna Park Drainage Improvements	2	Drainage & Flood Control		$ 14,100,000	Public Works	Proposed project to construct a new underground storm drain system which may include roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within funding available.
154	Shady Lane Drive Buyout	8	Drainage & Flood Control		$ 13,000,000	Public Works	Proposed project to purchase 41 properties within the floodplain to mitigate structural flooding from future flood events. This is a State Flood Plan project.
155	Shearer Hills Storm Water Improvements	1	Drainage & Flood Control		$ 12,900,000	Public Works	Proposed project to construct a new underground storm drain system which may include roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within funding available.
156	Shook Avenue and Annie Ave Drainage	1	Drainage & Flood Control		$ 5,500,000	Public Works	The proposed project involves installing an underground storm drain system and reconstructing the street.
157	Sienna Basin Outfall Revision (Encino Cliff)	9	Drainage & Flood Control	Stone Oak	$ 1,300,000	Public Works	Proposed project will complete regrading the northern portion of an existing channel and may include improvements to the existing underground storm drain system and curbs as applicable and within available funding.
158	Sierra Madre Drainage Improvements	10	Drainage & Flood Control		$ 1,000,000	Public Works	Proposed project will construct drainage improvements to mitigate flooding risks.
159	Skyplace Drainage Ph 1 (Stormline)	9	Drainage & Flood Control		$ 25,000,000	Airport	The proposed Skyplace drainage project will replace an open channel that runs through the airport from the Frontage Rd of US 281 to the Salado Creek and installs box culverts to convey offsite drainage.
160	South Pine Roadway Drainage Phase 3	3	Drainage & Flood Control		$ 13,300,000	Capital Delivery	(2022 Bond Continuation) Drainage improvements project to address flooding. Install underground storm drain system from Union Pacific Railroad (UPRR) at Hansford along Rockwood to Hackberry to include associated roadway reconstruction, curbs, sidewalks, and driveway approaches.
161	Southwell Encino Park Road Area Drainage Improvements	8	Drainage & Flood Control		$ 55,000,000	Public Works	Proposed project will construct channel and associated improvements to eliminate low water crossings as applicable and within available funding. This is a Hazard Mitigation & State Flood Plan project.

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
162	Southwell Phase 2	8	Drainage & Flood Control		$ 3,000,000	Capital Delivery	(2022 Bond Continuation) Continuation of underground storm drain system and an earthen channel outfall installation to include associated roadway reconstruction, curbs, sidewalks, and driveway approaches, as applicable and within available funding. This is a multi-phased project. This is a Hazard Mitigation Action Plan project.
163	Spring Hollow Area Drainage Improvements	8	Drainage & Flood Control		$ 20,100,000	Public Works	Proposed project will install an underground drainage system, channel improvements and may include street reconstruction, curbs, sidewalks, and driveway approaches as applicable and within available funding.
164	Spring Terrace Area Drainage Improvements	8	Drainage & Flood Control		$ 2,500,000	Public Works	Proposed project will construct channel improvements and associated roadway reconstruction, curbs, and driveway approaches at culvert crossings as applicable and within available funding.
165	Springvale Ithaca Area Drainage Improvements	4	Drainage & Flood Control	JBSA-Lackland/ Port San Antonio	$ 35,100,000	Public Works	Proposed project to construct storm drain system, channel, culvert and bridge improvements including roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within available funding.
166	Sumner Drainage Improvements	2	Drainage & Flood Control		$ 40,800,000	Public Works	The project proposes to mitigate standing water on residential streets and flooding in the alley. Excessive gravel has been washed from the alley onto Ginger Lane. The proposed work includes constructing the outfall system to support future phases.
167	Symphony Lane Buyout	3	Drainage & Flood Control		$ 16,000,000	Public Works	Proposed project to purchase 32 properties within the floodplain to mitigate structural flooding from future flood events. This is a State Flood Plan project.
168	Thames Drainage Channel Replacement - Alt 1	1	Drainage & Flood Control		$ 40,700,000	Public Works	Proposed project to install an underground storm drain system and may include channel improvements and associated roadway reconstruction, curbs, and driveway approaches as applicable and within funding available. This is a Hazard Mitigation & State Flood Plan project.
169	Timber Path Area Drainage Improvements	6	Drainage & Flood Control		$ 12,500,000	Public Works	Proposed project will install an underground storm drainage system and may include roadway reconstruction with curbs, sidewalks and driveway approaches as applicable and within available funding.
170	Tributary F to Salado Creek Area Drainage Project Alt 1 Ph 1	10	Drainage & Flood Control		$ 40,000,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks. This is a Hazard Mitigation Action Plan project.
171	Valley Hi Area (Medina Base) Drainage Improvement Phase 2	4	Drainage & Flood Control	JBSA-Lackland/ Port San Antonio	$ 17,928,400	Capital Delivery	(2022 Bond Continuation) The proposed scope includes construction of an underground drainage system, street reconstruction, and sidewalks along Medina Base Road from Ray Ellison Blvd to SW Loop 410. This is a Hazard Mitigation Action Plan project.
172	Vestal Place	3	Drainage & Flood Control		$ 59,000,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks. This is a Hazard Mitigation Action Plan project.
173	Vidor Dr Area Drainage Improvements	1	Drainage & Flood Control	Greater Airport Area	$ 17,700,000	Public Works	Proposed project will construct upgrades to existing channel and associated improvements including roadway reconstruction, curbs and driveway approaches as applicable and within available funding.
174	Vine Street Drainage Improvements	2	Drainage & Flood Control		$ 7,700,000	Public Works	Proposed project to extend installation of an underground storm drain system which may include associated roadway reconstruction, curbs, sidewalks and driveway approaches as applicable and within available funding.
175	Vista Grove Area Drainage Improvements	4	Drainage & Flood Control	JBSA-Lackland/ Port San Antonio	$ 32,300,000	Public Works	Proposed project will install underground storm drain system and may include associated roadway reconstruction, curbs, sidewalks, and driveway approaches as applicable and within available funding.
176	Vollum (Josephine Tobin to Gramercy)	7	Drainage & Flood Control		$ 10,700,000	Public Works	Proposed project to install an underground storm drain system and channel outfall upgrades including associated roadway reconstruction, curbs, sidewalks, and driveway approaches as applicable and within available funding.
177	Warpath Area Drainage Improvement	7	Drainage & Flood Control		$ 7,400,000	Public Works	This project funds drainage infrastructure improvements to optimize water flow and mitigate flood risks.
178	Water Quail Area Drainage Improvement	6	Drainage & Flood Control		$ 5,626,000	Public Works	Proposed project will construct upgrades to existing undersized storm drain system, complete channel improvements and roadway reconstruction with curbs, sidewalks and driveway approaches as applicable and within available funding.
179	West Broadview Drive & Oakwood Drive Drainage Phase 2	7	Drainage & Flood Control		$ 11,863,600	Capital Delivery	(2022 Bond Continuation) Phase 1B will construct improvements from Oakwood along Broadview to and including Quill Drive.

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
180	West Military Drive Area Drainage Improvements	6	Drainage & Flood Control		$ 77,000,000	Public Works	Proposed multiphase project to install and upgrade existing storm drain systems which may include curbs, sidewalks, and driveway approaches as applicable and within available funding.
181	Westfield Area LWC 113-116	6	Drainage & Flood Control		$ 4,900,000	Public Works	The proposed project involves upgrading LWC 115 and LWC 116, as well as constructing an underground stormwater system along Military that will connect to the existing earthen channel.
182	WW White Ph IIA (MLK Outfall)	2	Drainage & Flood Control		$ 18,350,000	Public Works	Proposed project to construct upgrades to existing storm drain system with connecting drainage swales and may include roadway reconstruction with curbs, sidewalks and driveway approaches as applicable and within available funding.
183	Arnold Park	4	Parks & Recreation		$ 6,000,000	Parks & Recreation	(2022 Bond Continuation) Park improvements to include a possible aquatic facility.
184	Beacon Hill Linear Park	1	Parks & Recreation		$ 500,000	Council Request	Capitol Ave park
185	Benavides Park	5	Parks & Recreation			Council Request	Implement park masterplan improvements
186	Brooks - 3902 Lyster Road 78235	3	Parks & Recreation	Brooks	$ 2,000,000	Parks & Recreation	The proposed scope for the 2027 bond includes new amenities in support of existing sports field and sports courts to include shade, site and security lighting, sports court rehabilitation and renovation, bleachers, and a perimeter walking trail.
187	Cielo Vista	6	Parks & Recreation		$ 2,000,000	Council Request	Development of new park likely to include amenities such as parking, security and site lighting, and utility connections. Additional items may include playground, picnic, fitness equipment, walking trails, and interpretive signage.
188	Classen-Steubing Park - Hardy Oak , 78258	9	Parks & Recreation	Stone Oak	$ 5,000,000	Parks & Recreation	(2017 & 2022 Bond Continuation) Phase 3 Improvements to the Parks Master Concept Plan. Construction of sports courts, parking, landscaping, open play fields and an additional trail.
189	Commanche Lookout Park	10	Parks & Recreation		$ 2,000,000	Parks & Recreation	(2017 & 2022 Bond Continuation) Continued ADA improvements to existing trail.
190	Copernicus, Nicholas 5003 Lord Road 78220	2	Parks & Recreation		$ 32,000,000	Council Request	The proposed scope includes improvements to Copernicus Park that complement the nearby District 2 Senior Center to include upgrades to the existing community center and new park improvements outlined in the master plan to include but not limited to new playground, splash pad, walking trails, parking, and security and site lighting.
191	Crockett Park	1	Parks & Recreation		$ 500,000	Council Request	Shaded pavilion
192	D5 Parks	5	Parks & Recreation			Council Request	General park improvements which may include shade, lighting, sports courts, pavilions, playgrounds for: Kennedy, Farias, Viduarri, Amistad, Escobar, South San, Garcia
193	Denman, Gilbert Morgan, Jr. 7735 Mockingbird Lane 78229	8	Parks & Recreation		$ 4,000,000	Parks & Recreation	General park improvements may include solutions for pond improvements.
194	District 3 Aquatics Facility at the Mission Drive Inn Campus	3	Parks & Recreation		$ 3,000,000	Council Request	(2022 Bond Continuation) Funds to complete splash pad, restroom development, parking expansion, additional lighting landscaping in order to expand on recreational activities at the completed aquatic facility.
195	Downtown Parks (Travis, Madison Square)	1	Parks & Recreation	Downtown	$ 2,000,000	Council Request	Complete redesign and safety enhancements.
196	Eisenhower, Dwight D. - 19399 N.W. Military Hwy. 78257	8	Parks & Recreation		$ 4,000,000	Parks & Recreation	General park and infrastructure improvements which may include restroom upgrades, completion of bike trails, and a waterline for potable water.
197	Fairchild, Euretta 1214 E. Crockett 78202	2	Parks & Recreation		$ 1,000,000	Parks & Recreation	Proposed scope of work includes upgrades and new amenities at the tennis facility to include new court surfacing and site furnishings, lighting, ADA improvements and upgrades to restrooms and support buildings.

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
198	Falcone, Nani - 8701 Mystic Park 78254	7	Parks & Recreation		$ 2,000,000	Parks & Recreation	(2022 Bond Continuation) General park improvements to include skate park shade and a new restroom.
199	Gilbert Garza Park	7	Parks & Recreation		$ 3,000,000	Parks & Recreation	Proposed scope of work includes completing master plan elements on the east parcel which may include a playground and trail lights.
200	Golden Park - 7801 Somerset Road 78211	4	Parks & Recreation		$ 6,000,000	Parks & Recreation	Introduction of an aquatics facility to include pool or splash pad, mechanical equipment, lighting, parking expansion, site furnishings, and shade.
201	Gomez Park (District 6 Regional)	6	Parks & Recreation	Highway 151 and Loop 1604	$ 45,000,000	Council Request	(2022 Bond Continuation) Facilitate the development of a Master Plan of a new regional park located in Council District 6 and Phase I development which may include new recreational amenities such as a playground, walking trail, and active community spaces within available funding. Actual construction scope includes new entrance drive and parking, all-abilities playground, pavilion for outdoor dining area, restroom building and trees with irrigation.
202	Heritage Duck Pond - 900 Ellison Drive South 78245	4	Parks & Recreation		$ 2,000,000	Parks & Recreation	Proposed scope of work includes pond rehabilitation and bank stabilization, new landscaping, and general park upgrades to site furnishings.
203	Highland Park	3	Parks & Recreation		$ 2,000,000	Parks & Recreation	Renovation of six tennis courts.
204	J Street Park 3500 "J" Street 78220	2	Parks & Recreation		$ 1,500,000	Parks & Recreation	Proposed scope of work includes ADA improvements, sports court renovation and rehabilitation, shade, and site and security lighting.
205	Jane Dubel Park Expansion	7	Parks & Recreation			Council Request	Park expansion and purchase of adjacent properties
206	John James - 3910 Rittiman Road 78234	2	Parks & Recreation	Fort Sam Houston	$ 2,500,000	Parks & Recreation	Proposed scope of work includes park improvements such as new site lighting, shade, and trail upgrades.
207	Lady Bird Johnson - 10700 Nacogdoches 78217	10	Parks & Recreation		$ 5,000,000	Council Request	(2022 Bond Continuation) General park improvements to include community center upgrades and a possible outdoor amphitheater.
208	Lincoln 2915 E. Commerce 78202	2	Parks & Recreation		$ 1,000,000	Parks & Recreation	Complete improvements to the Lincoln Community Center to include accessibility upgrades, electrical and HVAC upgrades, and restroom renovations.
209	Linear Greenway Trail Connections	7	Parks & Recreation			Council Request	Trail connections: Ingram Rd to Joan Price Park along Zarzamora Creek; Huebner Creek Greenway Trail Connection between Leon Valley and Babcock
210	Linear Greenway Trails	CW	Parks & Recreation		$ 95,000,000	Parks & Recreation	17 miles to complete the City portion of the remaining projects within the Howard Peak Trail Network and key connectors to include a section of Leon Creek Greenway through Port SA, Hwy 16 to Lone Star Pass, a segment from New Laredo Hwy to I-35, and connectors including Huebner (Med Center to Leon), Helotes, and trail widening.
211	Los Angeles Heights Park	1	Parks & Recreation		$ 300,000	Council Request	Parking, shade for dog park, lighting
212	Mariposa Park Development (Callaghan & Bandera - 4430 Parkway Dr.)	7	Parks & Recreation			Council Request	Park development
213	Martinez, Patrolman Guadalupe - 246 Merida 78207	5	Parks & Recreation		$ 2,000,000	Parks & Recreation	Implementation of aspects of the community supported master plan and will be determined during public input meetings when the final master plan is presented to the community.
214	Maverick Park	1	Parks & Recreation		$ 500,000	Council Request	Pavillion and Historic Structure
215	McAllister, W.W. - 13102 Jones-Maltsberger 78247	9, 10	Parks & Recreation	Greater Airport Area	$ 6,000,000	Parks & Recreation	(2017 & 2022 Bond Continuation) General Park Improvements that may include restroom upgrades, associated utility infrastructure, and overall park infrastructure.

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
216	Medina River Natural Area -15890 Highway 16 S. 78264	4	Parks & Recreation		$ 2,000,000	Parks & Recreation	(2022 Bond Continuation) General park improvements may include improvements to restroom facilities and other general improvements.
217	New District 5 Regional Park (Adjacent to Normoyle Park)	5	Parks & Recreation	JBSA-Lackland/ Port San Antonio	$ 60,000,000	Council Request	Phase 2 development of improvements based on the conceptual master plan such as main vehicular entry and parking off Zarzamora Street, pavilion, nature-themed playgrounds, and river-themed splash pad, walking trails and security and site lighting.
218	Old Spanish Walking Trail Park	1	Parks & Recreation		$ 2,500,000	Council Request	Bathrooms , turf field, education center
219	Olmos Basin	1, 8	Parks & Recreation		$ 4,000,000	Parks & Recreation	(2022 Bond Continuation) General park improvements may include upgrades in mobility through park drives, sidewalks, trail improvements, restroom facilities, ADA upgrades, improved fields and security lighting, signage and wayfinding.
220	Mattox Park	3	Parks & Recreation		$ 1,000,000	Council Request	General park improvements.
221	River Walk Capital Improvements	1	Parks & Recreation	Downtown	$ 25,000,000	CCDO	This funding would be utilized to make improvements to the San Antonio River Walk. Projects include ADA accessibility to the River Walk, signage, and sidewalk improvements.
222	Roosevelt Park - 331 Roosevelt 78210	5	Parks & Recreation	Downtown	$ 4,500,000	Parks & Recreation	Proposed scope includes implementation of the park master plan with an emphasis on improvements and upgrades to the historic pool concentrating on improved accessibility to include expansion of the pool areas to accommodate a second entrance.
223	San Pedro Springs	1	Parks & Recreation		$ 9,000,000	Council Request	(2017 & 2022 Bond Continuation) Scope includes signage, landscaping, pool upgrades, grotto and other park improvements.
224	Spring Time - 6571 Spring Time 78249	8	Parks & Recreation		$ 2,000,000	Parks & Recreation	Loop trail lighting, additional shade at the skate park, additional landscaping and irrigation, renovations at the skate park, ADA improvements at the pool and pool restroom, and renovation of the pool house to provide proper staff amenities such as sign-in counter space, additional covered building space, and storage. (2022 Bond Continuation)
225	Starr Rosenstein Park (Former New Medical Center Area Park)	8	Parks & Recreation	Medical Center	$ 2,000,000	Parks & Recreation	Phase 2 Development of the park to complete elements as part of the Master Plan not previously afforded in Phase 1, specifically including playground improvements and trail improvements.
226	Stinson - 900 March 78214	3	Parks & Recreation	Brooks	$ 2,000,000	Parks & Recreation	The proposed scope for the 2027 Bond includes the development new recreational opportunities in the northern area of the park accessed along March Ave. This area may accommodate new sports courts, loop walking trail, site and security lighting or other amenities deemed appropriate for the site and supported by the community.
227	Stone Oak - 20395 Stone Oak Parkway 78258	9	Parks & Recreation	Stone Oak	$ 3,000,000	Parks & Recreation	The proposed scope for the 2027 Bond includes ADA improvements and trail upgrades from stabilized base material to concrete, updated interpretive and wayfinding signage, as well as replacing existing gravel parking lot.
228	Sunshine Ranch	7	Parks & Recreation		$ 2,000,000	Council Request	Purchase and development of new park greenspace.
229	Van de Walle, Gregory - 1925 Herbert 78227	6	Parks & Recreation		$ 2,000,000	Parks & Recreation	Proposed scope includes rehabilitation and renovation of the sports courts to include new surfacing. shade, and lighting as well as shade and lighting at the playground.
230	Walker Ranch Park	9	Parks & Recreation		$ 1,500,000	Parks & Recreation	Improvements to pedestrian bridge over Salado Creek.
231	Wheately Heights Sports Complex (Field Upgrades)	2	Parks & Recreation		$ 4,000,000	Parks & Recreation	(2017 & 2022 Bond Continuation) General park improvements may include adding new athletic fields and sports courts and field lighting.
232	Woodlawn Lake - 1103 Cincinnati 78201	7	Parks & Recreation		$ 6,000,000	Parks & Recreation	(2017 & 2022 Bond Continuation) Site improvements to Island House portion of the park may include playground replacement with shade and sports court rehabilitation, restroom renovation and upgrades at the recently completed splash pad and upgrades to the community room at the historic gym.
233	ACS 2nd Campus (Land acquisition and design)	2	Facilities		$ 6,400,000	Council Request	Masterplan design of a second ACS campus to include land acquisition.

No.	Project Name	Council District	Categories	Regional Center	Total Request	Dept Requestor	Project Scope
234	ACS Cattery retrofit and extension	6	Facilities		$ 3,500,000	Animal Care Services	Renovation and addition to the ACS feline adoption building.
235	ACS Stray Animal Kennel and Placement Center	6	Facilities		$ 14,000,000	Animal Care Services	Shovel ready project, construction of a new 8,800 sq ft kennel. The project is ACS's top priority due to readiness and alignment with the strategic plan to address intake by increasing kennel space.
236	ACS Warehouse and Loading Dock	6	Facilities		$ 5,000,000	Animal Care Services	Construction of an approximately 6,000 sq ft warehouse with loading dock.
237	Barbara Jordan Community Center	2	Facilities		$ 4,650,000	Human Services	Renovation and exterior improvements to the Barbara Jordan Community Center.
238	Bob Ross Senior Center	8	Facilities		$ 46,000,000	Council Request	Construction of an approximately 28,000 sq ft. senior center in District 8 to replace the 1960's Bob Ross Senior Center.
239	Carver Branch Library Expansion	2	Facilities		$ 11,400,000	Library	Continues expansion to existing facility to include additional meeting space and expansion of the age based programs.
